Colour matching

Whilst every effort is made to ensure that colours correspond closely to those illustrated in our patterning, we can't guarantee to match samples exactly. If an exact colour match is required, please request a stock-cutting for approval.

Cleaning

Dry clean only, we recommend that only companies experienced in the cleaning of furnishing fabrics are used.

Usage

PENDANT, BRAID, DIMENSION, ARCO-some pressure marking may occur in use, this is a natural characteristic and is not considered a flaw.

For further information please contact our Customer Sales Department.

Please note that all repeat sizes are approximate.
